ABOUT ME

I am a passionate and curious young man, always seeking new challenges. I have been playing the violin for several years, an activity that has taught me discipline and perseverance. I started studying Chinese to explore a different culture, dedicating effort and commitment to continuously improve myself. Currently, I am working to change my career to become a web developer, a field that fascinates me due to its dynamism and growth opportunities. I am motivated to keep learning and to challenge myself with enthusiasm.

WORK EXPERIENCE

2014 - Present

I have gained solid experience in the hospitality sector, starting as a pastry chef for several years, where I developed precision and time management skills. Later, I focused on roles as a waiter and barista, refining my customer service abilities, bar management, and teamwork skills. Used to working in dynamic environments, I provide efficient and courteous service, with skills in cash management and order processing.

I authorize the processing of my personal data in accordance with EU Regulation 2016/679 (GDPR) for the purposes of personnel selection.
